

Home Solar Installation Agent

Overview

Midlands-based Project Solar is the UK's largest solar installation company. It's also one of the most accredited and experienced, having carried out more than 45,000 installations since 2011. Feedback is overwhelmingly positive, with an average 4.6 ("excellent") from more than 4,800 customer reviews on Trustpilot. Solar Fast is the longest-established solar company in our rundown, in business for nearly two decades since 2006. That level of experience is unusual. If you've ever wondered how many solar panels would fit on the roof of your house, head for Heatable's online quote tool. It gives you a 3D bird's eye view of your home – and a clear quote. You don't have to enter your name or. London-based Egg – also known as Cracking Energy – has a proud roster of business and public sector clients, from the RAC to Swindon. Soly is new to the UK, but brings a decade of international experience. Since its creation by two Dutch brothers in 2013, Soly has installed more than 800,000 panels across the.
