

Outdoor 12v battery pack

Overview

The AC200P measures 42 x 28 x 39cm and will therefore take up a bit of space in your setup, but nothing compared with a petrol generator. The weight is also substantial at 27.5kg - you'll get a good workout carrying it for any distance, and so it is not really suited for lugging to a picnic for example. This is a 'stick it in the corner. For running your appliances, the world is your oyster in terms of outputs. The power station features thirteen (!) DC and AC outlets in total which can all be used simultaneously. For the. We were blown away by the performance of the AC200P after a weekend of testing. My wife Ali was able to dry her hair after a shower using her 1875W hair dryer on maximum power. This was.
